		Hygiene	Choices	Looking after the body	Safety	Your questions answered	Building good relationships	Aspirations for the future

YEAR 2

Children learn about RSE as part of their Science and Personal Social and Health education. RSE is not isolated but taught within the framework of caring relationship, families, friends, values and responsibility. A whole range of teaching approaches are used which will allow children to learn in a caring and sensitive way. Teachers are sensitive to religious, cultural and family values and ensure that all children's backgrounds and experiences are recognised and valued. The scheme of work is progressive and the learning in each year group builds on previous learning.

At the end of this scheme of work pupils will be able to share their opinions on things that matter to them, as well as know that looking after the body is important.

Topic					
Term 1		Term 2		Term 3	
Differences: Boys and girls	Differences: Male and Female	Naming Body Parts	Making Choices	Everybody needs caring for	Looking after the body

Please note:

- Correct vocabulary will be taught for body parts. This ensures universal understanding, clarity, respect and courtesy
- The school nurse may help to deliver teaching sessions
- Classes will establish a set of agreed ground rules to be followed during RSE lessons
- We use story books as a way of starting discussions and helping children share ideas, a selection of the books we use in this year are:

Year Two	1	2	3	4	5
Book Title	The Great big book of families by M. Hoffman	The First Slodge by Jeanne Willis	The Odd Egg by Emily Gravett	What the Jackdaw saw by Julia Donaldson and Nick Sharratt	Blown Away by Rob Biddulph
					
Theme	UK is diverse	Celebrate diversity	Different Families	Disability	Race
Learning Objective	To understand what diversity is	To understand how we share the world	To understand what makes someone feel proud	To communicate in different ways	To be able to work with everyone in my class
