10th July 2020

Dear Families,

I hope this finds you as well as can be. I am writing what will be our final Keeping in Touch Letter for this academic year. The school closes to children on Friday 17th of July. It has been absolutely wonderful to have so many children back in school over last few weeks and we cannot wait for September!

We are currently writing new risk assessments and planning what our Covid safe routines and timetables will look like in the new school year with all children back at school. The most important decision we have made is that we will bring all children back to their current classrooms and teachers for the first two weeks of September. The reason for this is twofold: one, so children feel safe and settled in coming back to a learning environment and adults that they know. The other is so we can focus on ensuring the children are ready for their new teachers and new year groups by reviewing key learning prior to moving to the next year.

Over this two week period, we will have transition time with new teachers as well. The new classes and teachers are overleaf for your reference.

We will be working on a whole school project when the children come back based on a book. Please can you spend some time out in nature over the summer and bring a smooth rock into school, about the size that could fit in an adults hand. We hope all children will contribute a rock to a sculpture in the grounds of the school, so try not to forget!

We will expect children to return to school wearing school uniform, please see our website for more information.

Dates for your diary

Tuesday 1st September INSET DAY (school is closed to children)

Wednesday 2nd September Back to School

Monday 14th September INSET DAY (school is closed to children)

Tuesday 15th September Children start in their new year groups

With best wishes for a safe summer,

Mrs Good
Head Teacher
