

Year 6 Home Learning Grid – 22nd June 2020

Some of the activities (the booklets mostly) will carry forward into the next two weeks of work. Don't panic!

Curriculum/ Science	<p>RSE: This week we are looking at safe relationships and personal hygiene in class – please talk to your family about this.</p>	<p>Science: Nutrients worksheet Match the nutrients to why we need them on the sheet.</p>	<p>Science: Worksheet 1 (2 pages) Using the powerpoint (or the pdf of the powerpoint), make notes on how nutrients are transported to where they need to go.</p>	<p>Science: What about water? Make notes on how water affects the body – the instructions are in the powerpoint (or on the pdf).</p>
	<p>PSHE/Creative: Continue to work slowly through the Covid-19 Time Capsule Booklet.</p>	<p>Computing: Create an account here: https://scratch.mit.edu/ (it's free) and explore the possibilities. Look at some tutorials and see if you can create some code. Save it, make it public and send the link to Year6@georgedixonprimary.bham.sch.uk and we can look at it.</p>	<p>Transition: Continue to work slowly through the transition to secondary school booklet. Move on up</p>	<p>Topic: Access this website: https://www.kids-world-travel-guide.com and become an expert on Australia. Other websites are available too! Mrs Melia would especially like to know about the Gold Coast because her brother lives there!</p>
<p>Try to do these things every day:</p>				
<p>Remember to log on to MyMaths and Times Table Rockstars.</p> <p>Don't forget to read every day and update your Reading Diary. This could include reading the news, fiction, magazines, non-fiction,</p>
